

## 06 Browser Basics

Click the link below to watch the video and read the information on the web page about browser Basics.

**Bookmarks Exercise:** Browse the internet using the *Google Chrome* web browser and complete the following exercise using any websites you like:

Add a total of 4 bookmarks to your browser:

- Add 2 bookmarks to your **Bookmarks Toolbar**.
- Add 2 bookmarks to a folder you create and name in your **Other Bookmarks Folder**.

**When complete, take a photo or a screenshot of the toolbar and folder and send them to your instructor with your daily assignments.**

There is no quiz for this this section.
