
Commitment Contract

I _____, am committed to my future success. The starting point for moving forward in employment or further training/education is my participation in the Launcher program.

I understand that there are expectations of **being on time** and **being in attendance every day**. As such, I agree to the following:

- I will be on time at the start of every day.
- I will return from my coffee breaks and lunch on time.
- I will attend Launcher every day (Monday to Thursday).

I also understand that I must have **prior approval for missing any time due to already scheduled appointments**. I may be considered excused for medical appointments; however, I am to let a Launcher Facilitator know the day and time of my appointment on Monday morning.

For any **unscheduled appointments** that result from special circumstances, or **if I am going to be late for any reason**, I understand that I am responsible for **phoning Essential Skills Manitoba at 204-282-9980** as per the "Attendance Hotline" card provided.
