

ESM Post Secondary Readiness
Essential Skills Manitoba

Assessment

Essential Skills Manitoba can help you prepare for and succeed in your Post Secondary Education Program?

Essential Skills Manitoba will provide a Post Secondary Readiness Assessment and outline training supports you may require in the areas of Reading, Document Use, Writing, Numeracy and Digital Technology, to ensure you have the skills needed for your Post Secondary studies.

This assessment requires a commitment of 3 hours, but it can be completed in less time.

**This service can be delivered either
online or in-person.**

This service includes:

- **A Post Secondary Readiness Assessment to identify your strengths in these areas, as well as your learning needs, to prepare for your program.**
- **A debrief with an ESM Facilitator will be scheduled to review your assessment outcomes, recommendations and to plan next steps for upskilling, if needed.**
- **A written summary report of your assessment outcomes, recommendations and next steps, will be provided for you and your Advisor.**

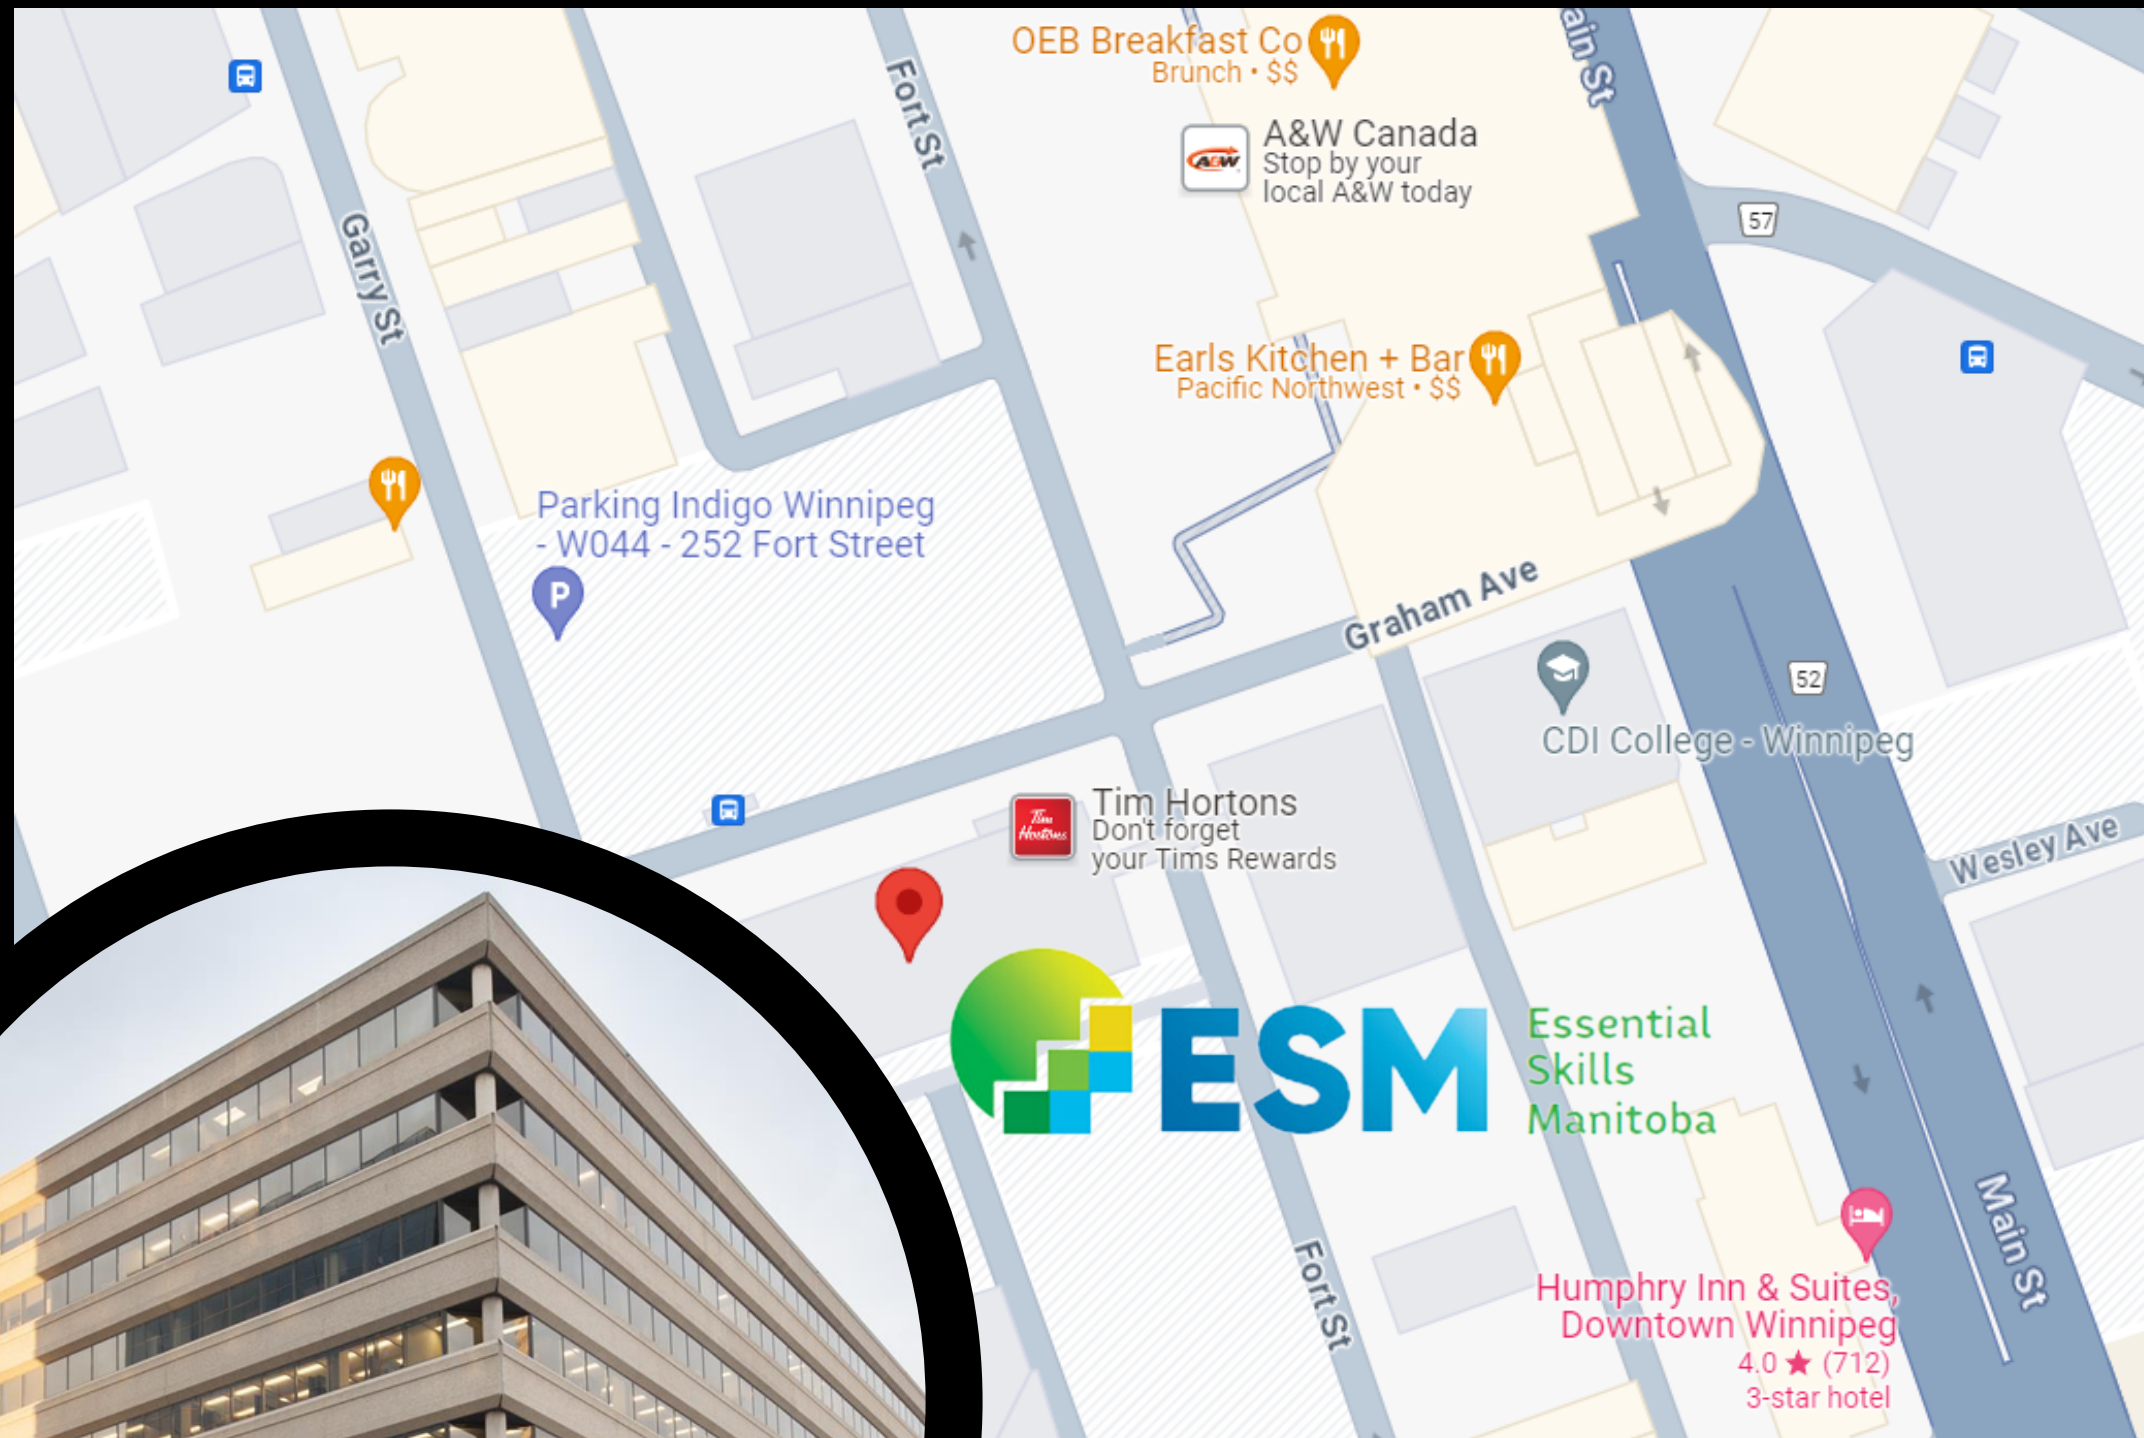

Available online
or in person
