

# Build Opportunities & Optimize Skills for Tomorrow

**NEW**

“Unlock Your Career Potential with  
Our 3-Week BOOST Workshop!”

A chalkboard diagram illustrating a process flow. The words "Strategy", "Execution", and "Success" are written in white chalk from left to right. Two curved arrows point from "Strategy" to "Execution" and from "Execution" to "Success". A hand is visible at the bottom right, holding a piece of white chalk and underlining the word "Success".

# What to expect?

**WEEK 1 - Career Exploration**

**WEEK 2 - Portfolio Building**

**WEEK 3 - Preparing &  
Practicing for Job Interviews**

Ready to take the next step in your career journey? After completing ESM's **GROW** assessment, join our engaging 3-week "**BOOST**" workshop to guide you on your career path.

## Why?

This workshop is your chance to gain the tools, knowledge, and confidence you need to succeed in your job search. Don't miss out —start your career transformation today!

# What's it about?

Developed to give you an edge in today's competitive job market, this workshop will help you:

- **Identify Your Strengths:** Discover your unique skills and match them to job opportunities that fit your goals and interests.
- **Build a Career Portfolio:** Create a professional portfolio that showcases your skills and stands out to potential employers.
- **Gain Job Search Confidence:** Learn how to effectively research, apply for jobs, and ace interviews, ensuring you're prepared for the **next step in your career.**
- **Develop a Personalized Action Plan:** Walk away with a clear career path and a set of actionable goals to guide your journey forward.

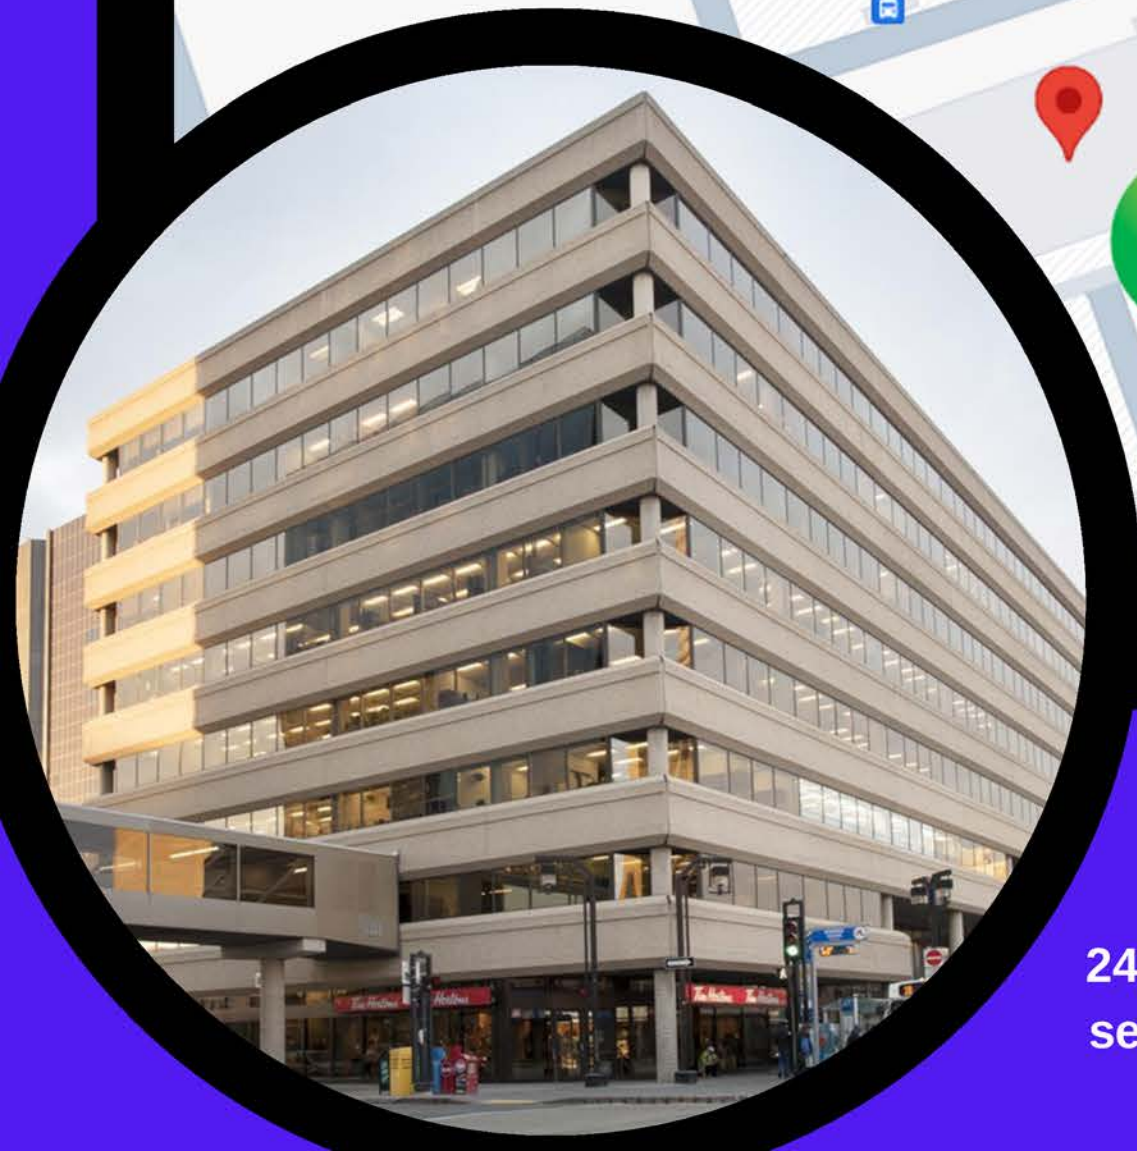

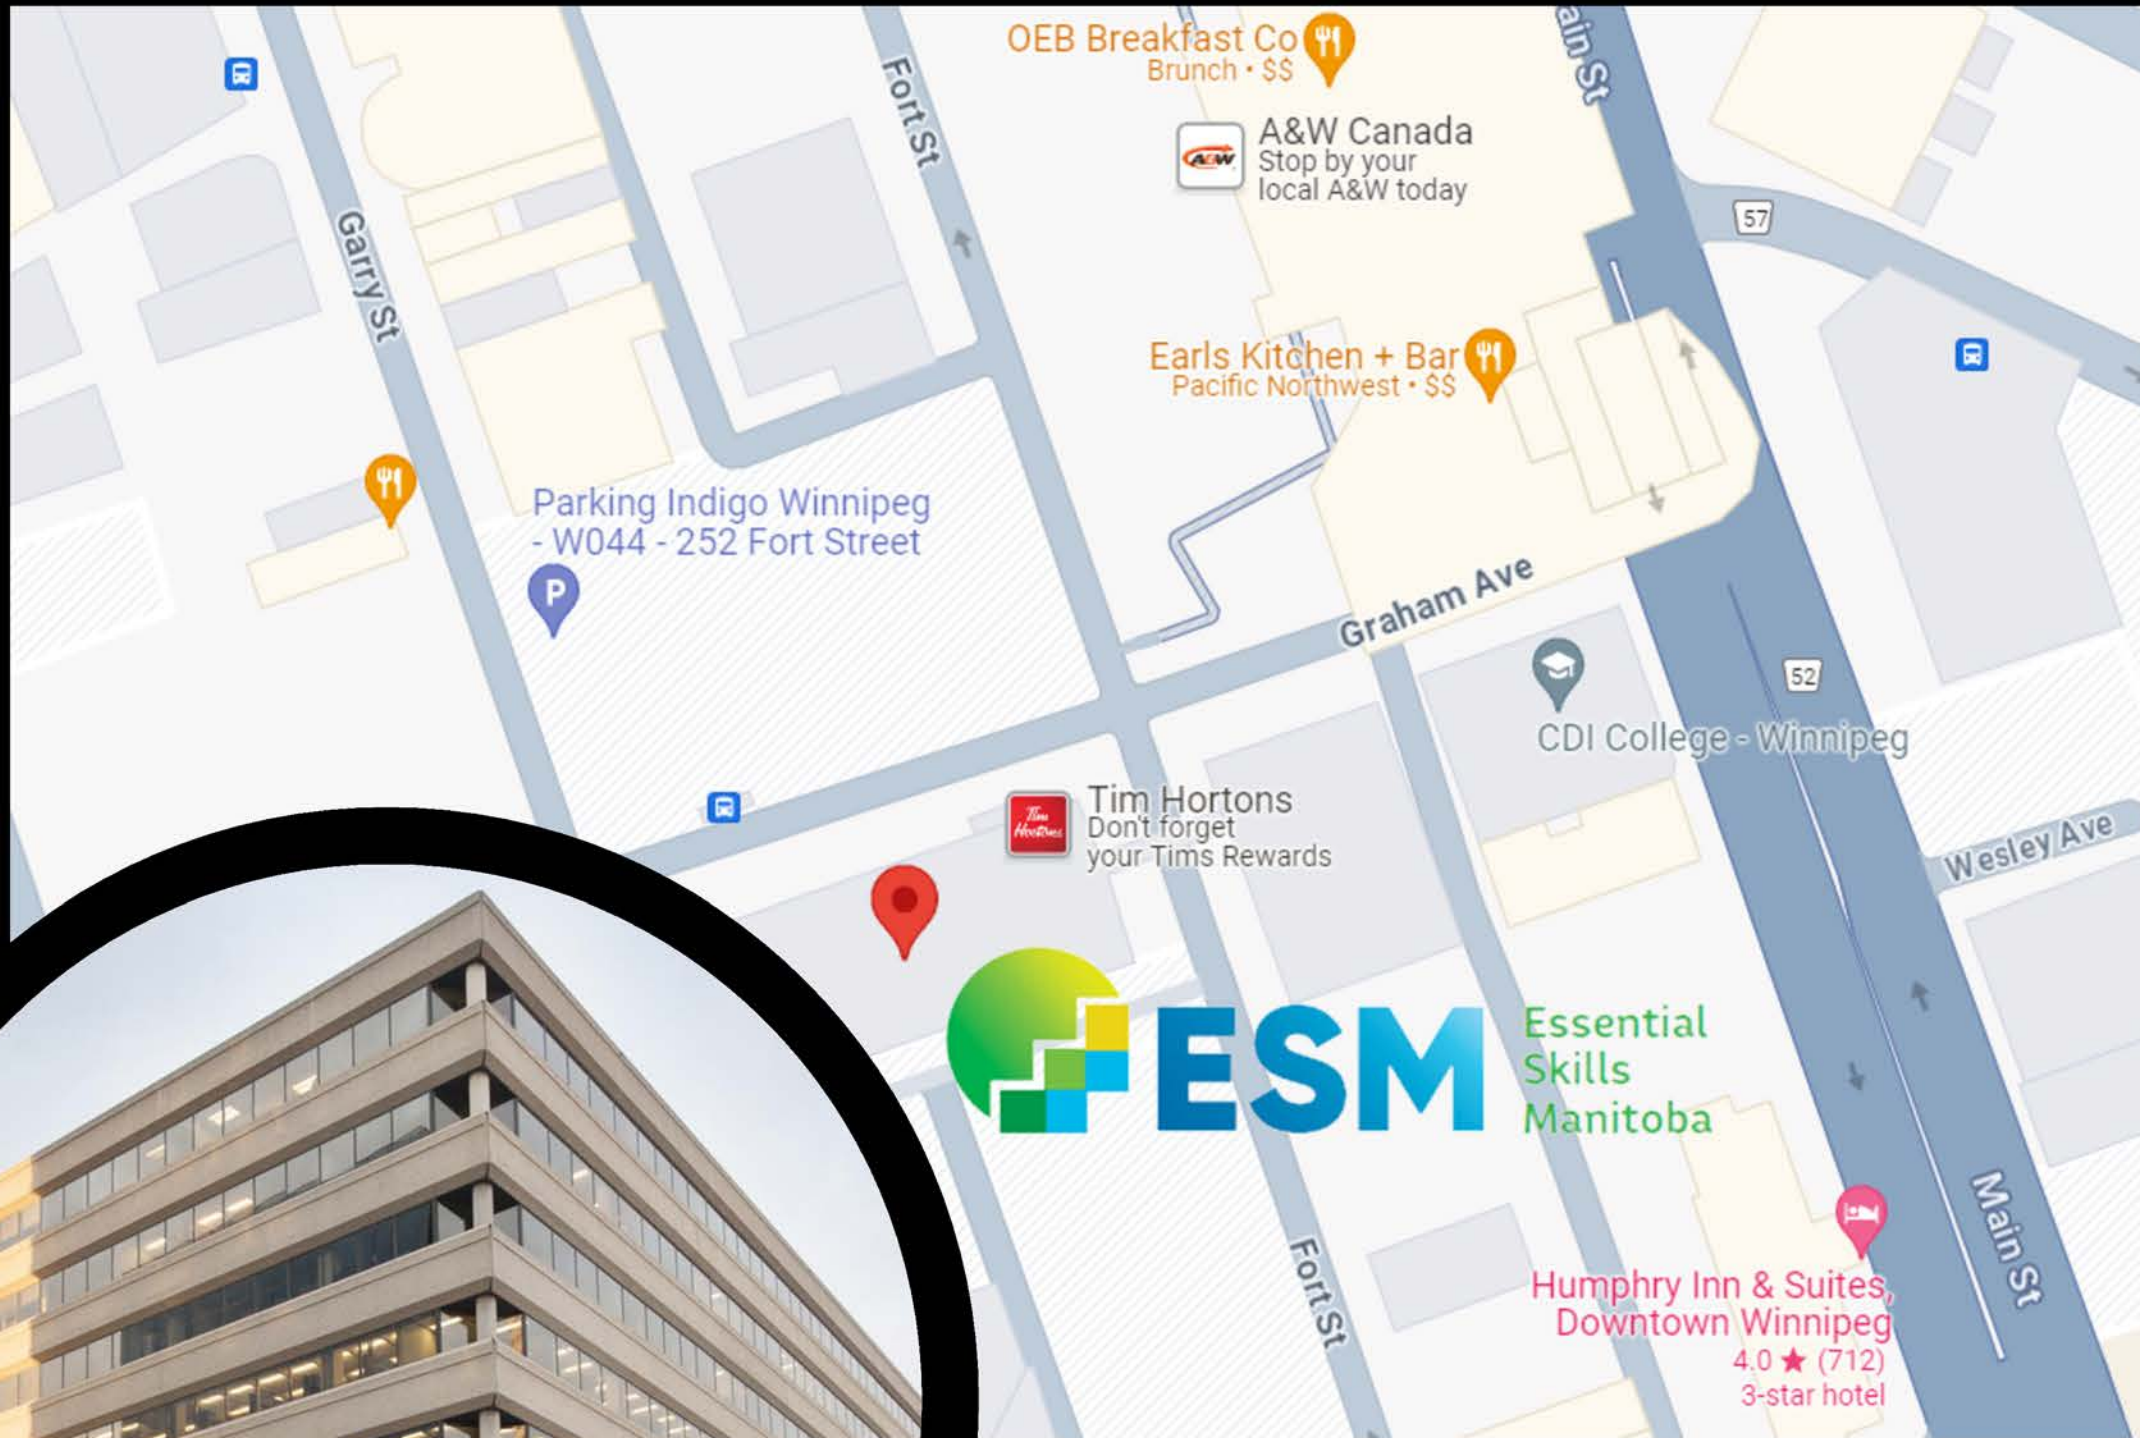

# Who's it for?

If you're ready to look for work and need help identifying a career path, or want to build the skills to take you through a job search, application, and interview, this program will help set you up for success. Register today!

Accessible through the  
skywalk

240 Graham Avenue, Unit 250  
second floor, Cargill Building
