

Personal Management Basics

Becoming Workplace Ready

What Can Participants Expect:

- A 12-part Workshop Series
- Each Workshop is three hours
- Join as many sessions as you like
- A Certificate will be earned for completing all 12 Workshops

These Workshops are intended to engage, prepare, and assist you in being successful in life, learning and employment.

They focus on the attributes employers say they are looking for when hiring staff. This training combines the attitudes, behaviours, and habits that employers say are critical to success in every workplace. It addresses two things: our own self-management skills as well as our skills in cooperating with others in the workplace.
