

POST SECONDARY

ARE

YOU

READY?

SKILL CHECK

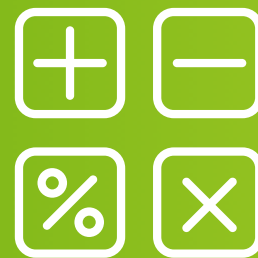

For more information contact us info@esmanitoba.ca

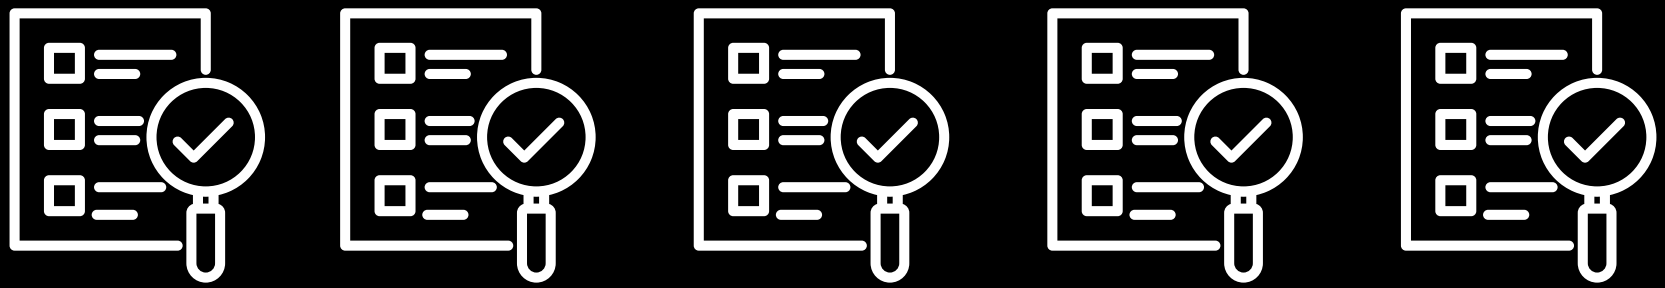

Essential Skills Manitoba can help you prepare for and succeed in your Post Secondary Education Program!

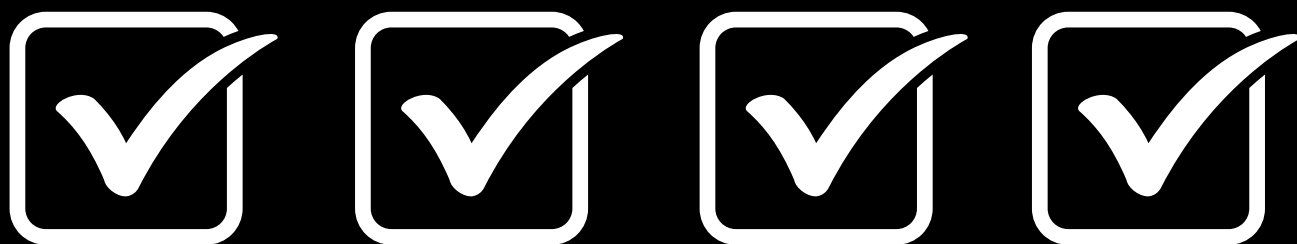

Essential Skills Manitoba will provide a Post Secondary Readiness Skills Check and outline training supports you may require in the areas of Reading, Document Use, Writing, Numeracy and Digital Technology, to ensure you have the skills needed for your Post Secondary studies.

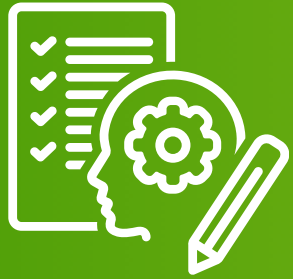

This Skills Check requires a commitment of 3 hours, but it can be completed in less time.

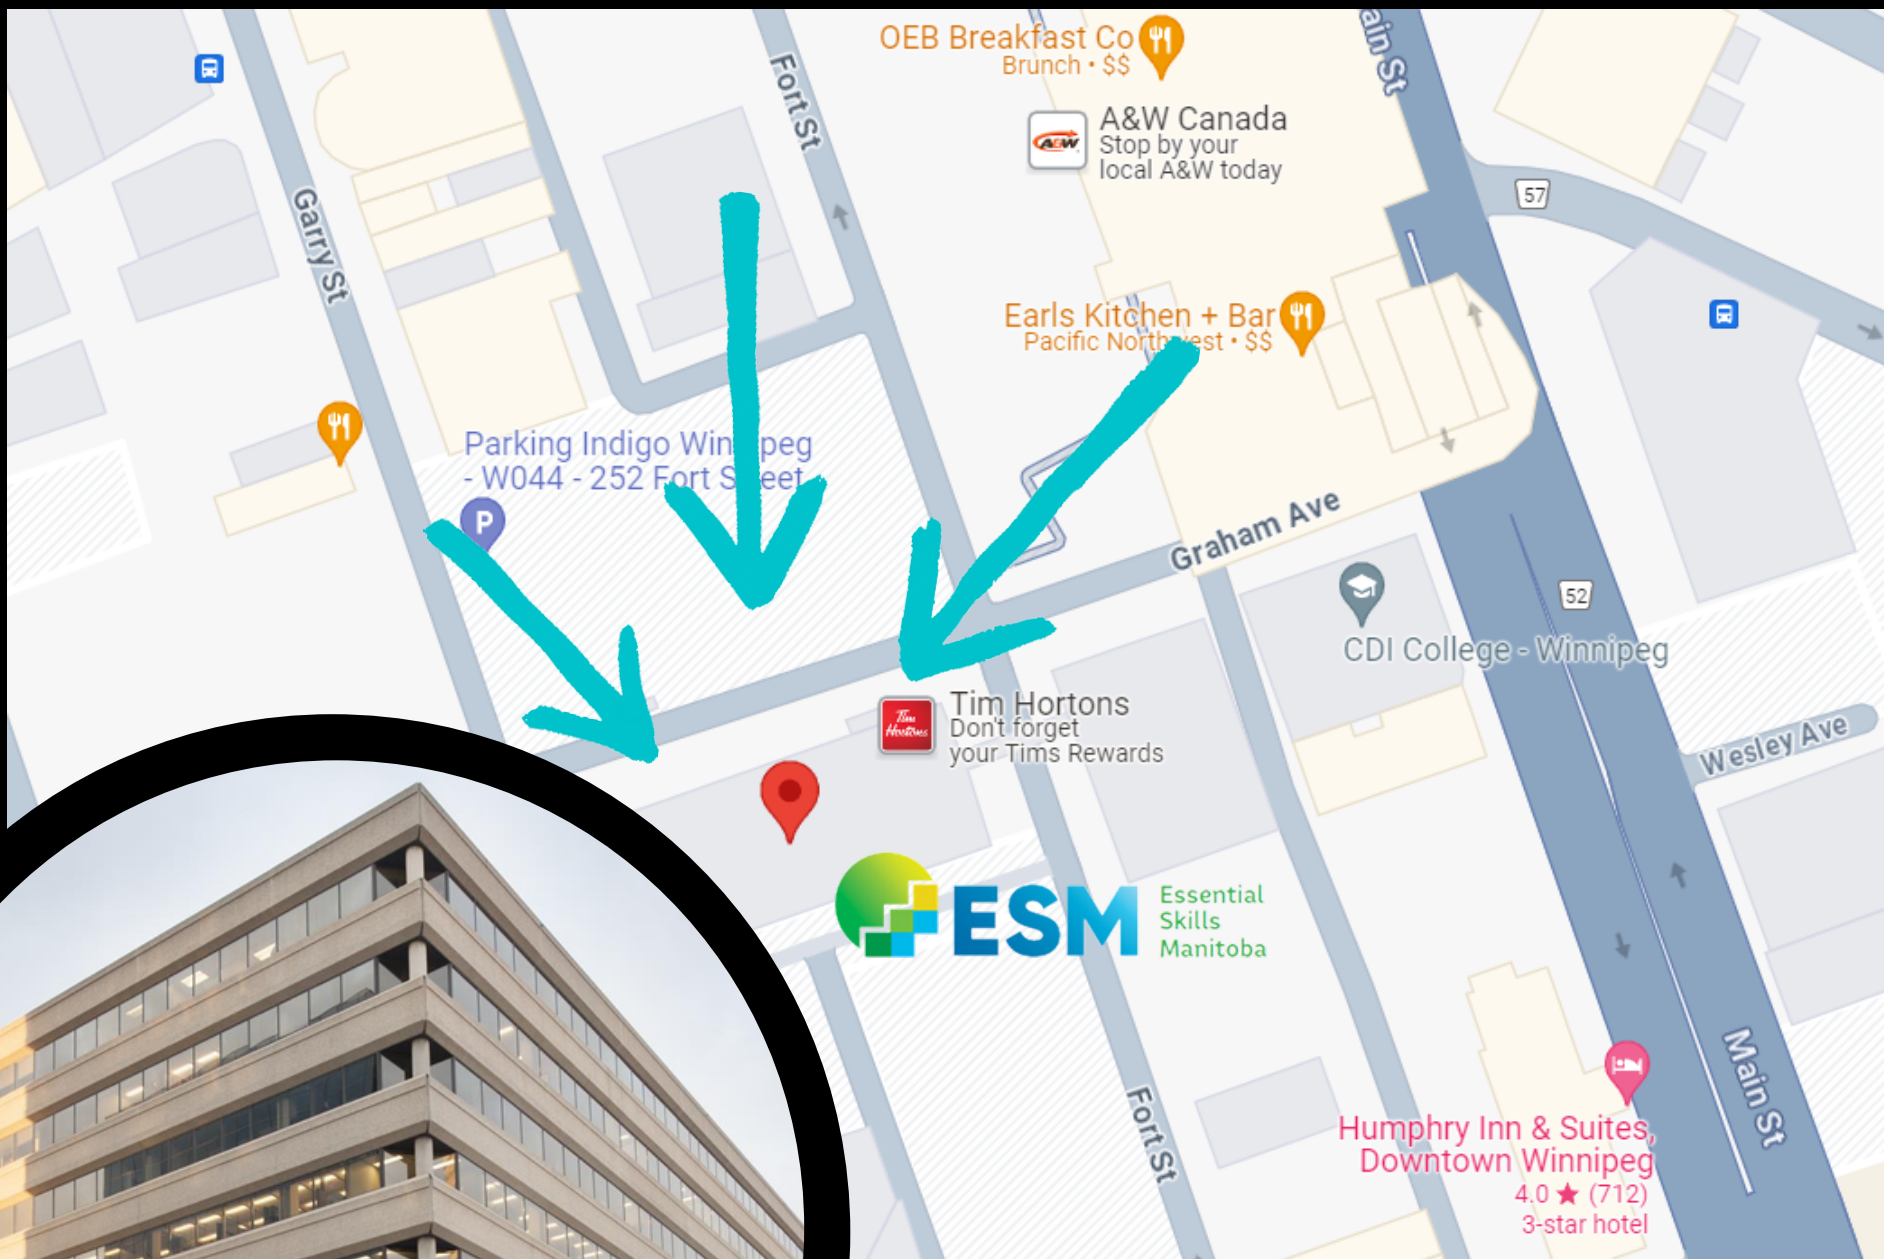

**This service is delivered here onsite at
unit 250-240 Graham Avenue
We have the device and support you will
need to take the skills check!**

This service includes:

- **A Post Secondary Readiness Skills Check to identify your strengths, as well as your learning needs, to prepare for your program.**
- **A debrief with an ESM Facilitator will be scheduled to review your skills check, recommendations and to plan next steps for upskilling, if needed.**
- **A written summary report of your skills check, recommendations and next steps, will be provided for you and your Advisor.**

Accessible through the
skywalk

240 Graham Avenue, Unit 250
second floor, Cargill Building
